Analytics tools (September 2025)

We perform monthly TMA source code scans of the top apps by MAU. Below is the distribution of analytical tools used in these apps.

Ad Networks used in TMAs

September 2025

We perform monthly TMA source code scans of the top apps by MAU and also exchange data with Ad Networks directly. This is the distribution of ad networks used in these apps.

Method of Data Collection:

- Wait for the application to load
- Scan all network requests
- Scan all included scripts

Please note that the data may have some inaccuracies due to the various methods used to trigger scripts.

***AdSonar** and **GigaPub** are advertising mediation platforms that combine multiple ad networks.

Affiliate programs overview

September 2025

772 affiliate programs across all apps
returned by Telegram API stats call
